- Weekly service is billed quarterly and payment is due at the **beginning (first of the month)** of each quarter. We accept cheques, cash, online banking, telephone banking, post-dated cheques, Visa & MasterCard (signature and C/C auth. required).
- We are not equipped to handle loose garbage; all garbage must be securely tied in standard size garbage bags. No loose garbage will be taken.
- Please ensure that you **remain within your weekly limit**. If you have more than your weekly limits, please contact the office to make other arrangements. If you are unaware of what your weekly limit is please contact the office.
- **Garbage/Recycling must be out at 8:00am.** (Route times can change weekly)
- To avoid messes caused by animals and weather we recommend that garbage be put in a container.
- Please put small kitchen catchers etc. into one standard size garbage bag.
- **Bags cannot weigh more than 25 lbs. Bags heavier than 25 lbs. will not be taken.**
- Please ensure dog and animal safety. Loose dogs are the owner's responsibility. If required, make arrangements on garbage day to have your dogs tied or put in a pen if they are not safe for our drivers.
- **FOR SALE – ROLL CARTS (65 Gallon) & WOODEN BINS**

**Statutory Holidays** - When your regular day of service falls on a statutory holiday.....**no service**. Service will return to normal the following week and include pick up of both weeks of garbage/recycling.
